

SNAPAK & CLIPBOARDS

Snapak & Clipboards

The **Snapak** – “open it’s a book, closed it’s a box”. This very popular holder accommodates loose forms, sets, or books. Simply place the forms under the swivel bar clip, insert the smooth writing plate under the top set, and start writing. A hinged strap holds copies securely in place and the entire holder folds into a compact protective box to keep forms safe while on the move.

When all you need is a clipboard with a writing plate, the **Clipboard with Backing Piece** is the tool for you. The writing plate has a smooth, hard writing surface and also protects unused forms below. When you are done filling out your form, the writing plate acts as a cover to protect the forms you carry.

The ever-popular **KC Clipboard** has our rugged spring clip with teeth to securely hold your papers. A large hole at the top allows you to hang this clipboard anywhere. Our **KJ Clipboard** has an award winning wire clip with rubber corners to hold your papers firmly in place. Both of these compact clipboards fit neatly into any attaché case.

Colorboards

The **KJ Anodised Clipboard** has a high-tech look. Available in red, blue, black or bronze, these clipboards are easily silk screened or engraved to add an even more distinctive look. With various colors, you have the option of having each color signify the department where they belong.

Handi-Lite

The Handi-Lite has a flexible neck so you can direct the light wherever you need it. The on-off switch is located at the end and easily operated with the touch of the hand. Supplied with a red bulb for better night vision or a bright, clear bulb. The handi-lite uses two AA batteries (not supplied).

Screen Printing & Hot Foil Stamping

Screen Printing is the most versatile method for imprinting your Department logo. Silk screening can be applied to any of our finishes, giving the Saunders aluminium forms holds a touch of distinction. The Redi-Rite silk screened with the Star of Life and the Maltese Cross are stock items. Hot Foil Stamping is a method of applying unit emblems or lettering to any of our vinyl clad finishes. The stamping is offered in gold, silver, black or white; giving a crisp, clear image for identification or image building.
