

Detachable Day Pack

SKU# DDP-HR-2400-BK

A great addition to any Web Gear Harness or Low Profile Hydration Pack, the Detachable Day Pack provides yet another way to simplify your gear. Firefighters can use multiple day packs to differentiate gear for various assignments. Simple attachments make it quick and easy to swap out equipment. Clothing, food, and tools are protected in the wide mouth zippered main compartment.

Features

- > Mounts to Web Gear Harness and Low Profile Hydration pack
- > 2000 cubic inches of storage
- > Holds 102 ounce CamelBak reservoir (not included)
- > Main pack easily detaches from the fire shelter allowing shelter to be worn alone
- > Covered fusee storage space
- > Reflectors for nighttime visibility
- > Covered fusees allow for use on helicopters
