

Web Gear Harness

SKU# WEB-HR-1 100-BK

All Wolfpack Gear packs begin with the Web Gear Harness - the only suspenders and belt on the market made from armorstrength ballistic nylon fabric. This rugged suspension system easily adapts to each stage of the fire attack. Firefighters can attach any size Wolfpack Gear pouches and bags through the MOLLE attachment system or standard Alice Clips. Regardless of the task, the lightweight Web Gear Harness provides both the strength and versatility needed to get the job done.
