

## GAAM REHAB UNIT

### GAAM REHAB UNIT

The Station is available with 2 x large Marquees and securing equipment, further tarps available if need.

The Rehab station can be operated all hours of the day with a generator supplied for lighting and refrigeration. Also supplied is a mobile arm/hand wash station for washing up.

The Rehab Kit comes with Kore Kooler chairs, Arm Kore Coolers, electric fan, a fridge freezer for hydration drinks and water, plus stretcher if required.

The Rehab Kit can be made to suit your needs if required and can have your name printed on them.
